New License Application  
Amendment per phone discussion

Dear Mrs. Frazier;

Per our phone discussion today, the Van Andel Research Institute does not plan on using the nuclide Ca-45 and requests its removal from the proposed license.

Many thanks,

Good afternoon, Sandy,

Per our morning conversation, please find attached requested documentation to remove Ca-45 from the Van Andel Research Institute's license.

Additionally, please note Gwenn Oki, Director of Compliance, has been copied as she is my new management line.

I also want to thank you (and your team) for all of your assistance through this process. It has been a pleasure working with you.

Happy holidays to you and yours,
