RE: Notice of Violation dated April 9, 2010.

Dear Sir or Madam:

This letter is intended to update you on the status of the 2008 and 2009 reconciliation and submittal of the appropriate Material Balance reports that were originally due March 31, 2009.

Perma-Fix Northwest (PFNW) staff has been working with NRC NMMSS operations staff and has been able to complete and reconcile all the outstanding years from 2008 through 2011.

At this time PFNW is working to train other employees in the process of performing the annual reconciliation and plans to have 2012 completed in a timely fashion in 2013.

PFNW would like to express our thanks to you for your patience and help in resolving this matter.

If you have any questions or comments please call me at 509/375-7052 or you can e-mail me at ccannon@perma-fix.com

Sincerely,

A handwritten signature in black ink, appearing to read 'Cannon', written over a horizontal line.
