Subject: RE: comanche peak COL chapter 6

Thanks, Steve. It's good to see one more off of the > 3 months old list. We'll update our chart when the next eRAI table update comes out. I would like to point out that the FSAR changes that were made by 6.4-15 were incorporated into Rev 3 of the COLA, so please take a look at taking the status from confirmatory to Resolved/Closed.

Thanks,
Todd
