Tracy,

Can you please confirm the project performance end date on the subject agreement. The project performance end date on the SOEW is 11/30/11 but in the Remarks section it states the POP – 9/30/14. Will you give me permission to make a pen and ink change on the project performance end date to match the date in the Remarks section. If you are not authorized to make this change, please provide to the correct person.

Thank you for your assistance in this matter.
