SUBJECT: PUBLIC MEETING NOTICE FOR THE FUEL CYCLE INFORMATION
EXCHANGE 2013 AND SOLICITATION OF INPUT ON TOPICS FOR
DISCUSSION

PURPOSE: I. Meeting Notice

The U.S. Nuclear Regulatory Commission (NRC) will be hosting the Fuel Cycle Information Exchange (FCIX) 2013 on June 11 and 12, 2013.

This will be the eighth annual hosting of this seminar, which provides an opportunity for licensees, NRC staff, and other stakeholders to exchange information and discuss issues of interest pertaining to the regulation of NRC-regulated fuel cycle facilities.

The seminar will be held in Rockville, Maryland, at the NRC's Auditorium and will be open to the public. As in the past, NRC staff, licensees and certificate holders, stakeholders, and other interested parties will be making presentations on varying subjects of interest, with an opportunity for follow-up discussion on each subject.

Participants are encouraged to pre-register for the FCIX. Online registration will begin April 1 through the NRC Website at <http://www.nrc.gov/public-involve/conference-symposia/fcix.html>

II. Request for Speakers and Topics of Discussion

At present, the program for the FCIX 2013 is being developed. The NRC is seeking speakers to discuss topics relevant to current issues in the nuclear fuel cycle. If you would like to be considered as a speaker or presenter, or to offer an additional topic of discussion, please contact the staff member listed. Additionally, if you are accepted as a presenter, we ask that you provide the staff contact with a Microsoft PowerPoint version of your presentation at least 30 days prior to the seminar.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in this meeting, please notify the NRC's meeting contact. Determinations on requests for a reasonable accommodation will be made on a case-by-case basis.

CATEGORY¹: This is a Category 3 Meeting. Public participation is actively sought at this type of meeting, which has the widest participation opportunities and is specifically tailored for the public to comment and ask questions throughout the meeting.

¹ NRC meetings are open for interested members of the public to attend pursuant to the "Enhanced Public Participation in the NRC Meetings; Policy Statement," dated May 28, 2002. Visit the NRC Web site at www.nrc.gov for information regarding visitors and security.
