Sarah, I received three e-mails. Each e-mail had an attachment. I only opened the SAR attachment, and it looked like it was a complete SAR. Once ADAMS processes your electronic submittal, I'll review your request to withhold proprietary information. Thanks for your prompt attention to this matter.

Subject: Final email

Chris,

I am sorry to bombard you with emails. I have just sent you three one with the drawings attached, one with the SARP attached and one with the RAI response. Should you not get any of these please let me know? I can break the SARP down further and just send section 2 if you do not receive the full SARP.

Thanks,
Sarah
