Since you provided all of the SAR sections, you might as well send the disc to Document Control. I have everything I need to get started.

Hi Chris

I have submitted the HS SAR to the document control desk via the EIE submission system as advised in the electronic submission guidance document. I shall also put a CD in the post as also advised. Should I send it addressed to you or the document control desk? Just so you know what kind of information is now in the system I have attached the SARP sections to this email. Would you mind letting me know if you receive this email, I am not entirely trusting after the last time I sent you some documents.

Thank you,  
Sarah
