Name of Licensee: Chandra K. Sacheti, M.D., LLC

Name of Participant(s): Heather Murphy, CNMT
Lester Tripp R1

Telephone No. (860) 870-8102

Subject: RAI in support of renewal application

(NOTE: This will be used as the Documents Title in ADAMS)

The licensee was contacted on January 16, 2013 and the following information was requested. The licensee responses are in parenthesis after each item.

1. Please indicate whether PET radiopharmaceuticals will be used at your facility. If you are using PET radiopharmaceuticals, please provide shielding design and evaluations for areas of use of licensed materials. **(The licensee does not use PET radiopharmaceuticals).**
2. Please identify areas located above and below areas of use of licensed materials in your facility. **(The facility is a one story structure, so there is no occupation above or below areas of use)**
3. Please describe survey instrument(s) and available probe(s) that will be used for area surveys at your facility. Also, please specify the instrumentation you will use for analysis of your wipe tests. **(The licensee has (1) Ludlum 14C survey instrument with (1) GM probe. A Ludlum well counter is used for analysis of wipe tests).**

Action Required: Complete renewal process
