Subject: Fitz TI-121 IR
Importance: High

The IR that closed TI-121 at FitzPatrick was 50-333/95-06.

I've attached the relevant portion of the report.

The Accession and micro fiche numbers for the transmittal letter and inspection report are:

Letter – 9505030079; 83721: 095- 099

Report – 9505030085; 83721: 100-116

If there is anything else need, please let me know.

Regards,

Larry
