Name of Licensee: Heller & Johnsen
Name of Participant(s): Lawrence Johnsen & Sattar Lodhi
Telephone No. 203 380 8188
Subject: Number of Gauges
(NOTE: This will be used as the Documents Title in ADAMS)

The licensee's renewal application did not indicate the number of gauges that they possess. According to the current license, they are authorized for up to 3 Troxler gauges. I called the licensee to verify the number of gauges in their possession and if they needed to change the current authorization.

The licensee stated they possessed the same 3 Troxler gauges as before and that nothing has changed in their program, including the inventory.

Action Required: Document and process the application
