

Minnesota Pollution Control Agency

On 2/25/10
the Minnesota Pollution Control Agency (MPCA) received your
application for a Reissue permit.

We will review your application for completeness and contact you should additional information be needed. If you have questions or if you wish to check on the status of your application, please call the Permit Document Coordinator at 651-757-2123.

Continuing to use an expired permit beyond its expiration date is covered by Minnesota Rules (Minn. R. 7001.0160). A person who holds an expired permit and who has submitted a timely permit application for reissuance of the permit may continue to conduct the permitted activity until the MPCA takes final action on the permit unless the MPCA determines that any of the conditions in Minn. R. 7001.0160 are true.
