Subject: STP - January 16, 2013 OI Call Agenda

John, Dick,

The following is a tentative list of items our staff plan to discuss during the January 16, 2013 OI call:

1. Fukushima RAI response (Recommendation 4.2 and EP Rule enhancement)
2. NINA update on SWMS and LWMS SSC classification in Table 3.2-1 (proposed FSAR markup)
3. RAI 6644 on flow-induced vibration – plan and schedule to respond

I'll add to the agenda additional items if the tech staff has any suggestion next week. Please let me know if you have any questions.

Regards

Tom Tai
