Subject: RE: Plant Evaluation of Severe Accident Mitigation Strategies Rev. 1

Hello Mr. Skeen and Mr. Golla,

Attached you will find the revised technical report BWROG-TP-13-001, "Plant Evaluation of Severe Accident Mitigation Strategies Rev. 1." I removed the proprietary marking on the header of the report ("BWROG Proprietary Information – Limited Distribution") so that the report can be treated as a public document. I apologize for any inconvenience or confusion this may have caused.

Thank you,

Terri V. Farthing
