Subject: STP GSI-191 Bypass Sensitivity Report - Water Conductivity Added
Attachments: TAMU-bypass-sensitivity-October-2012.pdf

Balwant,

Attached is STP meeting material for your review. Please make it available to Stewart Bailey along with PWROG discussions on effect of water chemistry on ECCS screen bypass or for future STP public meeting discussions with the Staff. If you have any questions, please contact Ernie Kee at 361-972-8907.

Thanks,
Linda Dyer
