Dara,

This follows up on our earlier conversation. I called Mary Colligan at NOAA and discussed the possible extension of the review period for the draft biological opinion. NOAA was amenable to an extension, and I copied you on the email to NOAA indicating Entergy's agreement to such an extension. I will be working from home tomorrow and will check voice and e-mails regularly. If for some reason you need to reach me more quickly, please call my cell phone.

Thanks,  
Dennis
