Related Cases: _____

Deborah,

I would like to request a copy of the enclosure related to the 3 page letter (record ML12321A310). Please let me know if that is possible/available. What I am trying to find out is if/when the NRC has approved the license transfer. From the letter, it seems the NRC has "no objection to this transfer", but it doesn't seem like its been approved yet.

Regards,
Fred
