SUBJECT: Approval as Authorized User of Radioactive Materials

The Medical Radiation Safety Committee recently received a request for you to be added to our list of Authorized Users of Radioactive Materials in Nuclear Medicine. After reviewing your credentials and experience, the Committee has approved you as an Authorized User of Radioactive Materials in humans, including diagnostic and therapeutic applications of unsealed sources, as well as I-131 for treatment of hyperthyroidism and thyroid carcinoma. With your approval, licensed material shall be used by you, or under your supervision, in accordance with the institutional broad license (NC# 034-0159-1). Welcome aboard. Please don't hesitate to contact the Radiation Safety Office, if you have any questions.
