NOTES

Key to Headings and Codes in Active Contracts List

1. Contract/Mod #: The unique identification number created by the NRC to identify and track NRC Contracts, Purchase Orders, Task/Delivery Orders, Blanket Purchase Agreements, or orders against other agency contract vehicles.
2. Referenced IDV #: Agency generated open market acquisition are identified by pre-designated Indefinite delivery vehicle (IDV) numbers; and with respect to other agency contract vehicles, the number identifies the specific Government-Wide Acquisition Contract, Federal Supply Schedule Contract, or other agency contracting vehicles.
3. Award Date: Date of contract award (including task/delivery orders) or modifications to existing contracts (including task/delivery orders).
4. Award Amount: Value of awarded contract or modification actions (including task/delivery orders).
5. Period of Performance: Date of contract award through expected completion date.
6. NAICS Code: the North American Industry Classification System Code. (For more information on NAICS Codes, see Section II)
7. Description: Brief description of the product(s) and/or service requirements for performance under the acquisition.
8. NRC Program Office: NRC Headquarters is the default entry identified for all NRC acquisitions. The NRC is currently in the process of working on potential solutions to this issue.
9. NRC Point of Contact: Telephone contact information for the Division of Contracts, which has information on the acquisition status, as well as the technical and contracting aspects of the planned acquisition.
10. Contract Type: Identifies the specific contract type (e.g., firm fixed-price) anticipated for the acquisition. (For more information on contract types, see Section IV)
11. Set-Aside Type: Identifies the specific small business-related socioeconomic program set-aside (e.g., Service-Disabled Veteran-Owned Small Business set-Aside) anticipated for the acquisition. (For more information on set-aside types, see Section IV)
12. Subcontracting Plan: Indicates whether a Subcontracting Plan was required and, if so, if any incentives were provided. The data reported in this field may be system generated or may be overwritten by the IDV data entry when the field is not required.
13. Contractor Name: Identifies the prime contractor's business name.
14. Contractor Address: Identifies the prime contractor's office address.
15. Contractor Ownership Type: Describes the ownership type of the prime contractor's small business (i.e., Small Disadvantaged Business, Woman-Owned Small Business, Veteran-Owned Small Business, Service-Disabled Veteran-Owned Small Business, and/or a Historically Underutilized Business Zone concern).
16. Contractor Size: Identifies the prime contractor's business size based on Federal size standards and as reported or as determined by the Contracting Officer for the acquisition action.
