Changes in Standby Trust Agreement.

(NOTE: This will be used as the  
Documents Title in ADAMS)

1/11/13 (10:00) I contacted Ms. Kovats to discuss the changes made in the Standby Trust Agreement (STA) by the financial institution. The financial institution removed one whole section from the model STA, eliminated a time requirement, and made it so that investments of instruments could only be done upon written consent of the Grantor. I requested that a conference call be set up between the licensee, the financial institution and myself so that the changes could be addressed without having to pass the information from one party to the next. I provided the times that I would be unavailable for a conference call to Ms. Kovats who agreed to set up the conference and let me know when it would be.
