Jean,

I suggest the following:

1. Send the consultation letters to tribal leaders and cc THPOs (using similar wording from the cover letter of the periodic status update regarding NRC management representatives and tribal leaders).
2. Plan to have the meeting (with President/Chairperson) in August. Check with Drew to see if he plans to attend. Also invite RIII and DILR/ILB staff to the meeting. Check with Debbie to see my calendar for my availability. Select a few dates, contact tribes after they receive the letters and plan accordingly.

Also, see my response to your question in red below.

Kevin

Kevin,

I wanted to begin coordinating a G to G with the PIIC. Do you have any thoughts or suggestions and dates of your availability. I will talk to the other PM's for insights as well. I am thinking that it will be just you and I for the meeting, do you feel anyone else should be there?

I have another question, how best can we differentiate between G to G and 106 consultation and which do you think we need to be doing at this time with the PIIC?

**Tribal leaders are invited to attend the first meeting. After that, meetings are likely to be with THPOs.**

Thank you Jean
