Dear Mr. Gallagher:

This letter is in response to your email of January 24, 2013 requestin additional information regarding Control No. 579479.

1. We confirm that the only restricted areas are the camera/hot lab room and the treadmill/EKG room.

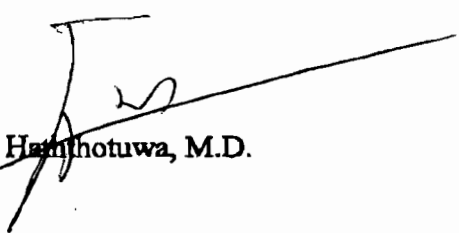

2. The other licenses that Mr. Ray Carlson, the proposed RSO is listed on are:

- Radiological Physics Service 21-26253-01
- Norlivo Internal medicine 21-32033-01
- Midwest family Practice 21-32836-01
- Three Rivers Health 21-26599-01
- M. Wajeed Khan, Ph.D., M.D. MD-31-377-01

3. The minimum time the RSO will be on site is 8 hours per quarter. Plus whatever additional that is needed in order to perform the duties of RSO. In addition he is available by phone. During the first 12 months of operation the RSO will provide training for the onsite RSO who will take over the duties at that time.

If there are any additional questions please call either myself or our physicist/RSO Ray A. Carlson, M.S. at 734-395-7361.

Sincerely,

  
Eranga K. Hanjhotuwa, M.D.
