RE: December 3, 2012 Email Request for Electronic Files

Dear Jean,

On December 3, 2012, you requested that we send a number of documents to your contractor, Mr. Randy Withrow, to facilitate review of the Prairie Island Independent Spent Fuel Storage Installation ("ISFSI") license renewal application. Per your request, we have sent the following documents via CD to Mr. Withrow:

- March 2009 Hudak Survey
- An electronic copy of the Cultural Resources Management Plan ("CRMP") that includes maps and/or other illustrations, (dated September 10, 2010).
- Most recent reconnaissance survey report for the ISFSI prepared by Westwood Professional Services, Inc (dated November 29, 2012).
- 4 photos of the construction of the ISFSI that were marked in the photo album reviewed at the site meeting November 7, 2012.

Because of the sensitive nature of the information contained in the CRMP, the report is confidential in its entirety. The March 2009 Hudak Survey is Attachment C to the CRMP and therefore is also confidential.

The CRMP was prepared or obtained in confidence, and is not to be publicly disclosed under Minnesota Statute 307.08 Sub. 11. Additionally, the CRMP contains information, the disclosure of which would be an unwarranted invasion of the Prairie Island Indian Community's privacy. The Prairie Island Indian Community has agreed to provide the CRMP for your review provided that it is maintained as confidential. Accordingly, we request that the CRMP be withheld from public disclosure in accordance with 10 CFR 2.390(a)(3) and (6). If this request cannot be granted, we request that the CRMP be returned.

Attached is a CD with an exact copy of the files provided to Mr. Withrow per your request.

Please feel free to contact me at 612.330.5641, or brian.r.zelenak@xcelenergy.com if you have any questions about the attached documents.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian R. Zelenak". The signature is fluid and cursive, with the first name being the most prominent.
