Subject: **Sequoyah License Renewal Application Boundary Drawings**

References: TVA Letter to NRC "Sequoyah Nuclear Plant, Units 1 and 2 License Renewal,"
dated January 7, 2013

By the referenced letter, Tennessee Valley Authority submitted the License Renewal Application (LRA) for the Sequoyah Nuclear Plant. The LRA references boundary drawings used in the scoping phase of the license renewal project. To facilitate NRC review of the LRA, the following information-only items are being provided. Enclosed are the copies of the boundary drawings, reviewer compact discs (CDs) and copies of the LRA. These documents are provided to aid the Staff in the review of the application.

There are no new regulatory commitments in this letter. If you have any questions please contact Henry Lee at (423) 751 2683.

Sincerely,

A handwritten signature in black ink, appearing to read "J. W. Shea".

J. W. Shea
Vice President, Nuclear Licensing

U.S. Nuclear Regulatory Commission
