SUBJECT: FEBRUARY 7, 2013, MEETING SUMMARY BETWEEN THE U.S.
NUCLEAR REGULATORY COMMISSION AND HONEYWELL
METROPOLIS WORKS CONCERNING SEISMIC ANALYSIS
PROJECT

On February 7, 2013, the U.S. Nuclear Regulatory Commission's (NRC's) staff met with Honeywell Metropolis Works' (Honeywell) representatives for a discussion of Honeywell's plans for the seismic analysis project. The meeting was held in Rockville, MD. The list of participants and the agenda are enclosed. The public portion of this meeting was an opportunity for Honeywell to provide the status of modifications of the Metropolis Works facility and to provide information from their consultant, MXA Associates, concerning the proposed analysis of the seismic margins. Presentations from the public portion of the meeting are enclosed. The closed portion of the meeting covered the discussion of the staff's Draft Requests for Information.
