Subject: Submittal of Ground Motion Model Information

Project Number: 689

Dear Mr. Skeen:

As discussed during the Nuclear Regulatory Commission (NRC) public meeting on January 23, 2013, this letter transmits a CD with information related to the preliminary updated EPRI (2004, 2006) Ground Motion Model. The purpose of transmitting this information is to facilitate discussion and decision making at the Participatory Peer Review Panel (PPRP) Closure Briefing on February 13, 2013.

As requested, the draft text for Sections 6.1, 6.2, and 6.3; Chapter 8; and Chapter 10 is provided on the CD. Initial drafts of Introductory Materials; Chapters 1, 2, 4, and 7; and Appendices B, C, and F are also included on the CD to provide additional background and perspective. All of the information transmitted by this letter should be considered draft and subject to change based on further review.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Kimberly A. Keithline".
