Louisiana Energy Services, LLC
NRC Docket No. 70-3103

Subject: 2012 Annual Summary of 10 CFR 70.72(c) Evaluations-Supplement

- Reference: 1. Letter from LES to NRC, LES-12-00017-NRC 2011 Annual Summary of 10 CFR 70.72(c) Evaluations.
2. Letter from LES to NRC, LES 13-00024-NRC 2012-Annual Summary of 10 CFR 70.72(c) Evaluations.

The purpose of this letter is to provide an update for information provided in Reference 1. The 2011 Annual Summary stated that some evaluations, assigned in 2011 that were identified in the "2011 Annual Summary of 10 CFR 70.72(c) Evaluations" (LES-12-00017-NRC) would be completed in 2012 and reported in the 2012 summary report. The 2011 evaluations numbers were 2011-109, 129, 234, 333, 422, 511, 512, 513, 517, 519, 520, 558, 602, 652, 667, 673, 674, and 717. Review of the noted evaluation numbers identified that 2011-109, 333, 422, 511, 512, 517, and 519 were cancelled. The remainder of the evaluations screened as not requiring a 70.72 evaluation to be completed. Therefore, the noted evaluations were not reported in the Reference 2 submittal.

If you have any questions, please contact Tim Knowles, Licensing and Performance Assessment Manager at 575.394.6212.

Respectfully,

Jay Lauglin
Chief Nuclear Officer and Head of Technical Services
