Thanks for the e-mail and your patience. The document I drafted is still undergoing internal review. I hope to have it to you this week.

Merry Christmas to you and your family.

Good morning Heather,

I hope that all is well with you and your family! Holiday excitement is mounting in our home as we all look forward to the arrival of my mother and sisters. Should be a great time for all.

I continue to work with Amy and Diana on the development of the the EA, and wondered how your input was coming. We are also working on RAI's for the applicant, I would welcome your input for consideration if you have any requests.

Best wishes for your Christmas holiday!

Jean
