Subject: Attn: Rulemakings and Adjudication

Dear Secretary,

I wish to become a co-petitioner on the Petition for Rulemaking submitted February 15, 2012 by Nuclear Information and Resource Service and 37 other organizations.

This petition would make substantial and necessary improvements in the NRC's emergency planning regulations.

Please inform me when this petition is docketed for public comment.

Thank you.

PS

No new reactors before the present spent fuel is taken care of!

Richard Kommrusch
