Documents Title in ADAMS)

2/12/13 (07:15 – 10:00) I attempted the main licensee phone number and phone numbers listed for Ms. Tamkin-Price and Mr. Fare. All licensee phone numbers were disconnected as was the number listed for Mr. Fare. Ms. Tamkin-Price's number connected but the voice-mail system was full and would not accept any more messages. (10:00 – 11:30) Internet searches provided possible residence numbers for Mr. Fare and Ms. Tamkin-Price. The search also identified another location of employment for Ms. Tamkin-Price. I left a message with Dennis Lawyer (NRC) to call me back to see what kind of contact information he had. Ms. Tamkin-Price's employer was able to put me through to her and she informed me that all of the licensee's phone lines had been disconnected, that only three employees remained, and that she would notify Mr. Fare to contact me. (13:10) I informed Mr. Fare of the fee issue and that fees were assessed for the possession of the license over the past year and were not "forward-looking." I sent him an email with the Fee Invoice and the Small Entity Status Form along with contact information for individuals in headquarters. Mr. Fare stated that he would contact them and see what type of arrangements he could make because the licensee was financially distressed.
