Dear Secretary,

I wish to become a co-petitioner on the Petition for Rulemaking submitted February 15, 2012 by Nuclear Information and Resource Service and 37 other organizations.

This petition would make substantial and necessary improvements in the NRC's emergency planning regulations.

Please inform me when this petition is docketed for public comment.

Holkin of Japanese company is working about light business. I don't confirm their thought.

Thank you.
