Dear Secretary,

I wish to become a co-petitioner on the Petition for Rulemaking submitted February 15, 2012 by Nuclear Information and Resource Service and 37 other organizations.

This petition would make substantial and necessary improvements in the NRC's emergency planning regulations. The evacuation of residents is a very seldom used topic for nuclear approval but is extremely important. The east coast is extremely vulnerable to evacuation disasters.

Please inform me when this petition is docketed for public comment.

Thank you.
