Dear Secretary,

I wish to become a co-petitioner on the Petition for Rulemaking submitted February 15, 2012 by Nuclear Information and Resource Service and 37 other organizations.

This petition would make substantial and necessary improvements in the NRC's emergency planning regulations. Living fifteen minutes away from VT Yankee, but in Massachusetts, leaves us little voice in the process. We are depending on you to make decisions that will protect us all.

Please inform me when this petition is docketed for public comment.

Thank you.
