Re: Letter of Support for Restart and Operation of San Onofre Nuclear Generating Station (SONGS).

Dear Senator Feinstein,

On behalf of the Irwindale Chamber of Commerce, we would like to express our support for Southern California Edison (SCE) and their plan to restart and operate SONGS. We support efforts to develop and sustain safe, reliable and efficient cost effective sources of energy in order to maintain a viable business environment and robust economy in the San Gabriel Valley.

We believe SCE is dedicated in their efforts to provide safe and reliable energy solutions and therefore we support the restart and operations of SONGS.

Thank you

Lisa Bailey
