SUBJECT: ARKANSAS NUCLEAR ONE – CANCELLATION OF NRC INSPECTION  
REPORT NUMBER 05000313/2013007 AND 05000368/2013007

Dear Mr. Browning:

NRC Inspection Report 05000313/2013007 and 05000368/2013007 has been canceled; therefore, no inspection report will be issued with this report number. This inspection report was associated with the focused fire protection inspection that was scheduled to determine whether reasonable and timely corrective actions are in progress for the existing noncompliances for which enforcement discretion was previously granted for Arkansas Nuclear One, Unit 2. This focused fire protection inspection will no longer occur due to the staff's determination that your revised NFPA-805 application provided sufficient technical information to enable the NRC staff to complete its detailed technical review.

Sincerely,
