Subject: Support Emergency Planning Petition

I wish to become a co-petitioner on the Petition for Rulemaking submitted February 15, 2012 by Public Citizen, Nuclear Information and Resource Service and 36 other organizations.

This petition would make substantial and necessary improvements in the Nuclear Regulatory Commission's emergency planning regulations.

The nuclear industry in Ohio has a sorry record over the past half century, and I want something be done to improve safety and health concerns, as well as addressing proliferation issues in general.

Please inform me when this petition is docketed for public comment. Thank you.

Sincerely,

James Wagner
