(NOTE: This will be used as the Documents Title in ADAMS)

NRC staff contacted the licensee to clarify the following information provided in a response (dated January 28, 2013) to a request for additional information:

1. The response to the questions regarding transfer of ownership was signed only by Ms. Vannoy, who is a senior management representative at Winchester Cardiology and Vascular Medicine, P.C. I informed Ms. Vannoy that in order to complete the transfer of ownership from Selma Medical Associate Inc. to Winchester Cardiology and Vascular Medicine, P.C., their response needs to include a signature from a senior management representative at Selma Medical Associates Inc. as well.
2. The mailing address provided lists a location in Virginia (an Agreement State) that is different from that currently listed on the license. I informed Ms. Vannoy that this would mean a change in the license number because the first two numbers on the license number represents the State where the mailing address is located. Ms. Vannoy stated that they would like to keep the WV address that is currently listed on the license, and that she would revise the mailing address in the response letter.

Ms. Vannoy agreed to provide a response by COB Friday, February 15, 2013.
