Ms. Meyer,

I realize that I am sending this after the requested response date, but I would like to provide two comments.

Draft Revisions to FSME AD-800, Communications Between FSME/ Regional Offices and the Agreement States

Section V Guidance

B. Communications from the RSAOs to FSME regarding Agreement State Issues

COMMENT: NRC should specify their policy on timeliness of a response to the Agreement State.

E. Agreement States Request for Training

COMMENT: Procedures and associated communications for Agreement State training should be consolidated in FSME Procedure SA-600, Training Criteria for Agreement State Personnel. Move the proposed changes (in Guidance V.E.) to SA-600, and AD-800 should reference SA-600.

Bob
