Subject: Re: FSME-13-009 & Draft AD-800

Karen-
Florida's Bureau of Radiation Control has reviewed the Draft Revisions to AD-800 "Communications Between FSME/Regional Offices and the Agreement States"

We do not have any comments on the draft but would like a copy of the final version.

Thank you for the opportunity to comment.

MikeS

How are we doing? Please take our survey: <http://www.doh.state.fl.us/environment/radiation/survey.htm>

Our mission is to protect & improve the health of all people in Florida through integrated state, county, & community efforts.

Our Vision is to be the Healthiest State in the Nation

Our Values (I CARE):

Innovation: We search for creative solutions and manage resources wisely.
Collaboration: We use teamwork to achieve common goals and solve problems.
Accountability: We perform with integrity and respect.
Responsiveness: We achieve our mission by serving our customer and engaging our partners.
Excellence: We promote quality outcomes through learning and continuous performance improvement.

Please note: Florida has a very broad public records law. Most written communications to or from

state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.
