Brian J. McDermott, Director  
Division of Materials Safety and State Agreements  
Office of Federal and State Materials  
and Environmental Management Programs  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Re: Opportunity to Comment on Draft Revision to Federal and State Materials and Environmental Management Programs (FSME) Procedure SA-121, "Agreement State Liaison to the Management Review Board" (FSME-12-094)

Dear Mr. McDermott:

Below is a comment regarding the Draft revision to FSME Procedure SA-121.

It is difficult to tell if the terms "OAS Designee," "Agreement State Liaison," and "OAS Liaison" all refer to the same person/role or if they are different. The terms should be clearly defined and their use within the document double-checked to make sure they are used correctly each time.

We appreciate the opportunity to comment on the Draft revision to FSME Procedure SA-121. If you have questions about our comment, contact Barbara Taylor at [Barbaraj.Taylor@dshs.state.tx.us](mailto:Barbaraj.Taylor@dshs.state.tx.us) or 512-834-6770, ext. 2010.

Sincerely,

A handwritten signature in black ink that reads "Barbara Taylor".

Barbara Taylor, Manager  
Radiation Policy, Standards and Quality Assurance Group  
Division of Regulatory Services  
Department of State Health Services
