NORTHERN STATES POWER COMPANY'S INITIAL DISCLOSURES

Pursuant to 10 C.F.R. § 2.336(a), Northern States Power Company – a Minnesota Corporation (“NSPM”) hereby makes the following initial disclosures.

1. Testifying Witnesses

NSPM has not yet identified the persons upon whom it will rely as witnesses with respect to the admitted contentions. In accordance with 10 C.F.R. § 2.336(b), NSPM will supplement this disclosure after testifying witnesses are identified.

2. Documents and Data Compilations

Documents and data compilations relevant to each of the admitted contentions, other than those for which a claim of privilege or protected status is being made, are available for review and copying at (1) the Prairie Island Nuclear Generating Plant Training Center, 1660 Wakonade Drive West, Welch, MN; and (2) the Offices of Pillsbury Winthrop Shaw Pittman LLP, 2300 N Street N.W., Washington D.C. Arrangements for reviewing these documents at the Training Center can be made by contacting Mr. Brian Zelenak at 612-330-5641. Arrangements for reviewing these documents in Washington D.C. can be made by contacting Ms. Kimberly

Harshaw at 202-663-9410. A listing of these documents and data compilations is provided as Attachment 1.

A listing of documents that are proprietary is provided in Attachment 2.

3. Tangible Things

Other than documents and data compilations provided or listed, no relevant tangible things have been identified.

Respectfully Submitted,

/Signed electronically by Kimberly A. Harshaw/

**Certification of Initial Disclosures in the Prairie Island ISFSI License Renewal Proceeding
Affidavit of Brian R. Zelenak**

I, Brian R. Zelenak, being duly sworn, state:

I am providing this certification in support of the disclosures of Northern States Power Company – a Minnesota Corporation (“NSPM”) in the license renewal proceeding for the Prairie Island Independent Spent Fuel Storage Installation (“ISFSI”). I am a Manager, Regulatory Affairs and the Project Manager for the ISFSI License Renewal Project and am authorized to provide this certification.

To the best of my knowledge and belief, NSPM’s initial disclosures regarding the Prairie Island Indian Community’s admitted contentions in this proceeding contain all materials required to be disclosed by 10 C.F.R. § 2.336(d), as modified by the Atomic Safety and Licensing Board’s Amended Initial Scheduling Order dated February 1, 2013, that NSPM has identified to date as relevant through a search of the information and documentation reasonably available to and under the possession, custody and control of NSPM.

Further, to the best of my knowledge, information and belief, and based on the review of information and documentation reasonably available to and under the possession, custody and control of NSPM, these initial disclosures are accurate and complete as of this date.

Further the affiant sayeth not.
