Docket No. 40-9075-MLA

ASLBP No. 10-898-02-MLA-BD01

ORDER

(Granting Second Motion for Extensions of Time)

On March 1, 2013, Powertech USA, Inc. (Powertech) filed a motion for further extensions of time in the above-captioned matter.<sup>1</sup> Powertech seeks a five-day extension of time up to and including Monday, March 11, 2013, in which to file its answer to the Draft Supplemental Environmental Impact Statement (DSEIS)-related contentions filed by the Oglala Sioux Tribe and the Consolidated Intervenors.<sup>2</sup> The current deadline for filing answers to the DSEIS-related contentions is Wednesday, March 6, 2013.<sup>3</sup> Powertech says it seeks an extension because “several intervening events have occurred that warrant an additional

<sup>1</sup> Joint Motion for Extension of Time for Responding to the Consolidated Intervenors’ and the Oglala Sioux Tribe’s New and Amended Contentions (Mar. 1, 2013) [hereinafter Second Motion for Extension].

<sup>2</sup> Both the Oglala Sioux Tribe and the Consolidated Intervenors filed DSEIS-related contentions on January 25, 2013. See List of Contentions of the Oglala Sioux Tribe Based on the Draft Supplemental Environmental Impact Statement (Jan. 25, 2013); Consolidated Intervenors’ New Contentions Based on DSEIS (Jan. 25, 2013).

<sup>3</sup> See Order (Granting Joint Motion for Extensions of Time) (Feb.14, 2013); Order (Second Prehearing Conference Call Summary and Supplemental Initial Scheduling Order) (Oct. 16, 2012) at 3; 10 C.F.R. § 2.309(i)(1).

extension of time for Powertech, including but not limited to the need for Powertech[‘s] counsel to travel the day the filing is currently due for other business for a period of four days and the need to identify references for expert review in support of its position.”<sup>4</sup>

As required by 10 C.F.R. § 2.323(b), counsel for Powertech contacted counsel for the Oglala Sioux Tribe, the Consolidated Intervenors and the NRC Staff regarding this motion. Powertech represents that the NRC Staff supports the requested extension despite the fact that NRC Staff counsel informed Powertech that they will file on March 6, 2013.<sup>5</sup> Powertech further represents that counsel for Consolidated Intervenors did not object to Powertech’s request and counsel for the Oglala Sioux Tribe did not object but requested a single filing date for the answers. Powertech and the NRC Staff concur.<sup>6</sup>

For good cause shown, the unopposed Second Motion for Extension is GRANTED. The filing date for answers to the DSEIS-related contentions is extended to March 11, 2013, and the deadline for reply briefs is extended to March 25, 2013.

It is so ORDERED.

<sup>4</sup> Second Motion for Extension at 1-2.

<sup>5</sup> The NRC Staff’s clarification letter filed March 1, 2013, indicates the NRC Staff supports Powertech’s request for an extension, as well as the Consolidated Intervenors’ request to move the deadline for responding to both Powertech’s and the NRC Staff’s answers to March 25, 2013.
