Senior Public Affairs Officer
Nuclear Regulatory Commission
1600 East Lamar Boulevard
Arlington, Texas 76011-4125

Dear Mr. Dricks,

Pursuant to the federal Freedom of Information Act, 5 U.S.C. Section 552, I request access to and copies of all emails between Southern California Edison and the Nuclear Regulatory Commission regarding San Onofre Nuclear Generating Station from January 1, 2012 to the present.

I would prefer to receive the information in electronic format. I understand there might be a fee involved with the processing of this request. As a representative of the news media, I understand I am only required to pay for the direct cost of duplication after the first 100 pages.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist, and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance.

Sincerely,

Amita Sharma
