Subject: Support for May 11 meeting w/ Duke re:Oconee

Anne, either Ken See is planning to attend the May 11th meeting. If for some reason he cannot attend, Chris Cook will support the Oconee meeting. Chris is an expert in HCRS and familiar with Ken's work on Oconee. Additionally, I would like to discuss the transition from Ken to your contractor in more detail. Lets schedule some time to chat so we can assure a smooth transition.

Thanks Scott
