To whom it may concern:

This letter serves as notification of our request and intent to renew our U.S. NRC Materials License No. 01-15770-01. We are in the process of completing our renewal application and hope to submit it within the next two weeks. I do apologize for the delay, and hope that it will not interfere with our ongoing use of licensed materials in research and development. There are no changes anticipated with respect to the prior application. I can be reached at 251-690-3403 or by email [Steven.Plakas@fda.hhs.gov](mailto:Steven.Plakas@fda.hhs.gov) if there are further questions or actions needed.

Sincerely,

Steven M. Plakas, Ph.D.  
Radiation Protection Officer
