Amy,

See the note below from Russ Wells. We discovered a minor typographical error in the summary table of our Revised Draft RAI response for Question 03.06.01-14 that I sent on Friday, December 14th. Instead of sending a completely new revised DRAFT response we propose to just correct this in the Final response.

Thanks,
Dennis

Dennis

Please inform Amy that there was a typo in our Revised DRAFT Response to U.S. EPR Design Certification Application RAI No. 547 Question 03.06.01-14 that we sent to NRC on 12/14/12. In the table on page 2 of the RAI response, in the

last row for Category D, COL information item 3.9-14 should have not been listed, it is correctly listed in Category N/A on page 3 of the response. We will make this correction on this final response. thanks
