John,

Is it possible to coordinate an informal presentation on the subject we discussed yesterday sometime in between the last week of June and the presentation by Prof. Baecher on July 23.

I am attaching the presentation material that we have prepared previously and could be used (with some changes) for this purpose. If you still think this is of interest to the wider group, I would be glad to present it or discuss it.

Thank you,

Fernando Ferrante, Ph.D.
