All,

Please find attached the latest version of the draft IN on NSAC/60. It has been modified to reflect comments from yesterday's meeting with Mark and Sam. NOTE = The OUO markings will be removed prior to submittal to PGCB based on input from the NRR/DRA/FO.

If you could take a look at these changes and provide comments if any, I would greatly appreciate it. Barring additional input from the front office, the draft will be submitted shortly to NRR/DPR/PGCB for the re-initiation of the issuance process.

Thank you,
