

Brilliant Aiming Solutions™

February 20, 2013

Richard K. Struckmeyer
Licensing Branch
Division of Materials Safety and State Agreements
Office of Federal and State Materials and Environmental Management Programs

Subject: Renewal request for U.S. NRC License 21-19874-02E

Dear Mr. Struckmeyer:

Per your letter dated December 18, 2012 (Mail Control No. 579248) and NUREG 1556 Vol. 8, Section 12 we would like to exercise the second option listed. We have reviewed our current license and determined that it accurately represents our current licensed activities. Further, we do not desire any additions, deletions, or other changes apart from renewal.

Please let me know if any further actions are required on our part.

Thank you.

Sincerely,

Stephen Bindon
President
Trijicon Inc.
