

NRC/NIFG Meeting

Review of Open Action Items

**Kevin Hacker, NDE IC Chairman
Dominion
February 28, 2013**

Action Item Status

- **Action 11-2012-1**

- NIFG provide status update on the 29 action items that were sent to the NRC via email after the September 11, 2012, meeting.
 - *Status: Ongoing*
 - *Completion Date: Next NRC/NIFG meeting in January 31, 2013.*
 - *Comments: Presentation scheduled for the Feb 28, 2013 meeting.*

- **Action 11-2012-2**

- Provide to NRC number of welds in the red box (i.e., highest risk contributors) that received MSIP.
 - *Status: New*
 - *Completion Date: Next NRC/NIFG meeting*
 - *Comments: Welds that have received MSIP would be placed in the orange box. This information is not available and would require another poll of the plants post-binning to determine the number of welds.*

Action Item Status

- **Action 11-2012-3**

- Provide to NRC revised the site-specific mockup procedure for review and comments

- *Status: Submitted December 12, 2012*

- *Completion Date: December 31, 2012*

- *Comments: **Completed***

- **Action 11-2012-4**

- NRC provides comments on revised site-specific mockup procedure.

- *Status: New*

- *Completion Date: Next NRC/NIFG meeting*

- *Comments: None*
