Date Recd.:

03/13/13

Specialist:

McClellan

Request Date:

March 12, 2013

Dear Freedom of Information Act Officer,

This is a request filed under the Freedom of Information Act (FOIA). I hereby request copies of all records containing the following releasable information:

- Any and all written correspondence to and from commissioners, both internal and external between November 1, 2012 and February 13, 2013 about Southern Co's plan to build and operate two nuclear reactors at its Vogtle power plant near Waynesboro, Georgia.

As the FOIA requires, please release all reasonably segregable nonexempt portions of documents. I request that the Nuclear Regulatory Commission uses discretion when considering whether or not any part of the information is exempt from disclosure under FOIA. It is in the public interest that the above information is made available because it is likely to contribute significantly to public understanding of the operations or activities of the government.

In order to help to determine my status to assess fees, you should know that I am a freelance journalist, and this request is made as part of news gathering activity and not for commercial use.

I am willing to pay fees for this request up to a maximum of \$150. If you estimate that the fees will exceed this limit, please inform me before processing my request.

If you have any questions regarding this request, please contact me at (b)(6), or email me at (b)(6). I look forward to receiving your response within the twenty day statutory time period.

Thank you for your consideration.

Sincerely,
